Cutting For Approval

(Please fax to 707-935-0190 or email to orders@rodolph.com)

RODOLPH recommends that a Cutting for Approval be a standard protocol for the fabric noted below. This requirement takes place when current production lies outside of industry standards for color or texture and/or due to the longevity of this fabric, you may have a sample that does not reflect our current production standards. Please refer to CFA Purchasing Recommendations and Special/Custom order fabrics under the Terms and Conditions.

If you wish to forgo this precaution, you must release RODOLPH of any liability by signing the following waiver.

I hereby waive the recommended cutting for approval (CFA) with the understanding that there may be a variation in the production fabric from any samples I have seen or received.
